Copyright Notice

Authors who publish with this journal agree to the following terms:

1. Authors retain copyright and grant the journal right of first publication with the work simultaneously licensed under a Creative Commons Attribution License that allows others to share the work with an acknowledgement of the work's authorship and initial publication in this journal.
2. Authors are able to enter into separate, additional contractual arrangements for the non-exclusive distribution of the journal's published version of the work (e.g., post it to an institutional repository or publish it in a book), with an acknowledgement of its initial publication in this journal.
3. Authors are permitted and encouraged to post their work online (e.g., in institutional repositories or on their website) prior to and during the submission process, as it can lead to productive exchanges, as well as earlier and greater citation of published work (See The Effect of Open Access).

Privacy Statement

The names and email addresses entered in this journal site will be used exclusively for the stated purposes of this journal and will not be made available for any other purpose or to any other party.

Submission Checklist

As part of the submission process, authors are required to check off their submission's compliance with all of the following items, and submissions may be returned to authors that do not adhere to these guidelines.

1. The submission has not been previously published, nor is it before another journal for consideration (or an explanation has been provided in Comments to the Editor).
2. The submission file is in a (.doc), (.docx), or (.rtf) format.
3. All URL addresses in the text (e.g., <http://pkp.sfu.ca>) are activated and ready to click.
4. The text is single-spaced; the text employs italics, rather than underlining (except with URL addresses); and all illustrations, figures, and tables are placed within the text at the appropriate points, **OR** at the end of the manuscript with appropriate placeholders in the body.
5. The text has had the authors' names removed. If an author is cited, "Author" and year are used in the bibliography and footnotes, instead of author's name, paper title, etc. The author's name has also been removed from the document's Properties, which in Microsoft Word is found in the File menu.
6. The Author has submitted or will presently be submitting a completed Author Agreement form.
7. The Submitting Author conducted the research to be submitted while studying as an undergraduate at Emory College.
8. The Submitting Author is the primary author of the submission.
9. The author has retained the **original versions of all pictures, figures, graphs, and diagrams** in the event that layout should need to contact him or her during the editing process.
10. The author has submitted a hi-quality professional headshot for publication along with his or her article as a supplementary file.
11. The author has submitted definitions for all key terms and jargon as a supplemental file in .DOC, .DOCX, or .RTF format.
12. The author has input a short biographical statement in his or her user profile.
